Mail Stop Petition

**OFFICE OF PETITIONS**

Sir:

After submitting a nonpublication request with the above-referenced application upon filing, the application became abandoned under operation of law for failure of Applicants to timely and properly notify the Office of the filing of an application in a foreign country or under a multinational treaty that requires publication of applications eighteen months after filing. Accordingly, this petition is being filed as a protective measure to ensure that any patent that may issue or has issued from the above-referenced application will not be invalid and/or unenforceable due to Applicants' failure to file the appropriate notice.

**APPLICANTS HEREBY PETITION FOR REVIVAL OF THIS APPLICATION**

**NOTE:** A grantable petition requires the following items:

- (1) Required reply and/or fee;
- (2) Petition fee (37 C.F.R. § 1.17(m));
- (3) Statement that the abandonment was unintentional; and
- (4) Any required terminal disclaimer (37 C.F.R. § 1.137(c)).

(1) Required reply and/or fee.

The proposed reply for the above-referenced notification in the form of a Request to Rescind Previous Nonpublication Request 35 U.S.C. 122(b)(2)(B) is enclosed herewith.

(2) Petition fee (37 C.F.R. § 1.17(m))

A check in the amount of \$1,300.00 is enclosed for the amount stated in 37 C.F.R. § 1.17(m) to cover the fee for this petition.

The Commissioner is hereby authorized to charge any additional fees which may be required regarding this application under 37 C.F.R. §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 06-1447. Should no proper payment be enclosed herewith, as by a check being in the wrong amount, unsigned, post-dated, otherwise improper or informal or even entirely missing, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 06-1447.

(3) Statement that the abandonment was unintentional.

Applicants hereby state that the entire delay in filing the required reply, from the due date for the reply until the filing of this petition, was unintentional and was done without deceptive intent. Applicants believe in good faith that it was following the applicable and appropriate procedures and practices of the Office. The Office has since (recently) promulgated a "Reminder" that is inconsistent with the prior accepted practices. As a result, the present application is at least theoretically abandoned even though no notice of abandonment has been received from the Office. Applicants file this petition in an overabundance of caution in order to clarify the situation.

Specifically, on March 6, 2002, Applicants' counsel filed a request to rescind the previous nonpublication request. This request to rescind was filed within forty-five (45) days of filing an application on a related case in a foreign country or under a multinational treaty that requires publication of applications eighteen months after filing. The application in a foreign country or under a multinational treaty was filed on February 22, 2002. Another application filed in a foreign country or under a multinational treaty was filed on 12-12-01. A request to rescind and notice was inadvertently not filed in this application for the application filed on 12-12-01.

Accordingly, Applicants wish to revive the above-referenced application in light of counsel's unintentional failure to file the appropriate notice of the filing of an application in a foreign country or under a multinational treaty that requires publication of applications eighteen months after filing.

(4) Any required terminal disclaimer (37 C.F.R. § 1.137(c)).

No terminal disclaimer is required in this application under 37 C.F.R. § 1.137(c) since this application was not filed before June 8, 1995.

Respectfully submitted,
